

(c) On or after such Redemption Date, each holder of shares of Series Preferred to be redeemed shall surrender such holder's certificates representing such shares to the Company in the manner and at the place designated in the Redemption Notice, and thereupon the Redemption Price of such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof and each surrendered certificate shall be canceled. In the event less than all the shares represented by such certificates are redeemed, a new certificate shall be issued representing the unredeemed shares. From and after such Redemption Date, unless there shall have been a default in payment of the Redemption Price or the Company is unable to pay the Redemption Price due to not having sufficient legally available funds, all rights of the holder of such shares as holder of Series Preferred (except the right to receive the Redemption Price without interest upon surrender of their certificates) shall cease and terminate with respect to such shares; provided that in the event that shares of Series Preferred are not redeemed due to a default in payment by the Company or because the Company does not have sufficient legally available funds, such shares of Series Preferred shall remain outstanding and shall be entitled to all of the rights and preferences provided herein.

(d) In the event of a call for redemption of any shares of Series Preferred, the Conversion Rights (as defined in Section 4) for such Series Preferred shall terminate as to the shares designated for redemption at the close of business on the fifth day preceding the Redemption Date, unless default is made in payment of the Redemption Price.

V.

A. The corporation shall indemnify any director or officer of the corporation and may indemnify any other person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

B. Any repeal or modification of this Article V shall only be prospective and shall not affect the rights under this Article V in effect at the time of the alleged occurrence of any action or omission to act giving rise to liability.

VI.

For the management of the business and for the conduct of the affairs of the Corporation, and in further definition, limitation and regulation of the powers of the Corporation, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

A. The management of the business and the conduct of the affairs of the Corporation shall be vested in its Board of Directors. The number of directors which shall constitute the whole Board of Directors shall be fixed by the Board of Directors in the manner provided in the Bylaws, subject to any restrictions which may be set forth in this Restated Certificate.

B. Subject to the indemnification provisions in the Bylaws, the Board of Directors may from time to time make, amend, supplement or repeal the Bylaws; *provided, however*, that the stockholders may change or repeal any Bylaw adopted by the Board of Directors by the affirmative vote of the percentage of holders of capital stock as provided therein; and, *provided further*, that no amendment or supplement to the Bylaws adopted by the Board of Directors shall vary or conflict with any amendment or supplement thus adopted by the stockholders.

C. The directors of the Corporation need not be elected by written ballot unless the Bylaws so provide.

* * * *

FOUR: This Restated Certificate of Incorporation has been duly approved by the Board of Directors of this Corporation.

FIVE: This Restated Certificate of Incorporation has been duly adopted in accordance with the provisions of Sections 228, 242 and 245 of the General Corporation Law of the State of Delaware by the Board of Directors and the stockholders of the Corporation. **BRIEF SUMMARIES
OF THE EXPERIENCE OF KEY MEMBERS
OF
EVULKAN, INC.**

eVulkan, Inc. d/b/a beMANY!

TECHNICAL QUALIFICATIONS/MANAGEMENT EXPERIENCE

The Company has assembled a highly skilled management team, which brings a wealth of experience and expertise to the Company's local and interexchange telecommunications services venture. Together, the Company's executives provide it with the depth and breadth of management, operational and technical capabilities necessary to facilitate its provision of high quality, affordable local and interexchange telecommunications services.

Brief summaries of the experience of key members of the Company's executive team are set forth below:

GEORGE JANKOVIC **President and** **Chief Executive Officer**

George Jankovic, President and Chief Executive officer of eVulkan, Inc., has been at the forefront of business-to-business Internet applications, focusing upon the provision of not only telecommunications services, but other utility services, to small to medium-sized businesses. Building upon his extensive "B-2-B" customer care and marketing expertise, Mr. Jankovic founded eVulkan in 1999 to create a forum within which individual business and residential consumers might benefit from access to a broad array of services, including telecommunications and various forms of energy services, at rates previously available only to much larger corporate or institutional customers.

Prior to founding eVulkan, Mr. Jankovic was a senior member of the executive management team of VerticalNet, Inc., a publicly-traded company which was at the time of Mr. Jankovic's association with the company, the largest Internet business-to-business company in operation. While part of VerticalNet's executive management team, Mr. Jankovic was extensively involved in all phases of the company's initial public offering, the ninth largest public offering to date. As Vice President of Product Development, Mr. Jankovic had primary responsibility for product strategy and definition, as well as prioritization, and oversaw the operations of three distinct product development teams.

Before joining VerticalNet, Mr. Jankovic was President and co-founder of RF GlobalNet, a business-to-business e-commerce company which was eventually acquired by VerticalNet and ultimately accounted for approximately one-quarter of VerticalNet's total revenues during 1998.

Mr. Jankovic has also served in the role of Director of Business Development and Marketing Manager of Ansoft Corporation, a technologies software company.

Mr. Jankovic holds a Masters Degree in Electrical Engineering from the University of Colorado at Boulder.

WILLIAM ROBINSON
Senior Vice President
of Marketing

William Robinson, Senior Vice President of Marketing for eVulkan, possesses well over a decade of marketing experience at the senior executive level. Well-versed in all critical areas of marketing functions both through educational background and significant real-world experience, Mr. Robinson has joined eVulkan following his association with Beneficial National Bank, USA, a leading issuer of private-label credit cards. Mr. Robinson held the position of Senior Vice President - Marketing and Planning for Beneficial National Bank, where he was responsible for the introduction of several innovative database marketing techniques which led to the development of numerous new Internet-based services utilizing proprietary technology.

Immediately prior to his position with Beneficial National Bank, Mr. Robinson spent nine years with American Express, where he held the position of Vice President - Marketing and Sales. In this capacity, Mr. Robinson, among other things, oversaw the totality of American Express' consumer credit card operations in Japan. His responsibilities encompassed not only all aspects of new customer acquisition, but also comprehensive advertising and marketing activities, the development of new cardholder service programs, and the management of American Express' Japanese national sales force. Mr. Robinson advanced to this position after having been brought on board by American Express to serve in the capacity of Vice President - Marketing for the company's Platinum Card program.

Earlier in his career, Mr. Robinson held both consumer and business marketing positions with such Fortune 500 companies as Procter and Gamble, Western Union International, and International Playtex.

Mr. Robinson received an MBA in Marketing and Finance from Columbia University.

MIRCEA MIHAESCU
Vice President and
Chief Technology Officer

Mircea Mihaescu, Vice President and Chief Technology Officer of eVulkan, Inc., brings to the Company a wealth of knowledge amassed over more than 15 years of active involvement, at the senior management level, in the software engineering field. Mr. Mihaescu is responsible for technology planning and architectural decisions for eVulkan and oversees and manages all stages of the developmental life cycle of the Company's financial, real-time, commercial and business software applications.

Mr. Mihaescu joined eVulkan following his tenure as Technology Head for the third largest bank in Canada, Bank of Montreal. For a period of five years, Mr. Mihaescu spearheaded the development and successful, often time-sensitive, implementation of large-scale software programs undertaken by Bank of Montreal's Global Treasury Group. Starting virtually anew, Mr. Mihaescu built the Global Treasury Group's IT Department to a staff of five managers and more than 40 developers.

Prior to joining Bank of Montreal, Mr. Mihaescu held various IT management and development positions and has acted as a consultant to companies in need of expert advice in achieving technology implementation goals.

**FINANCIAL DOCUMENTATION
OF
EVULKAN, INC.**

As a newly-formed entity, eVulkan, Inc. d/b/a beMANY! ("beMANY!") does not possess historical financial statements. Because beMANY! will be providing service on a resale basis, capital outlays will be minimal; accordingly, Applicant anticipates satisfying its cash flow obligations from revenues from its Illinois operation.

Notwithstanding the self-supporting nature of Applicant's proposed operations, attached hereto is beMANY!'s most recently available balance sheet, for the quarter ending March 31, 2000, which demonstrates Applicant's possession of more than sufficient financial resources to provide local and long distance telecommunications services to residents of the State of Illinois.

Q PLEASE STATE YOUR NAME AND BUSINESS ADDRESS FOR THE RECORD.

A My name is George Jankovic. My business address is eVulkan, Inc. at 100 Broadway, 21st Floor, New York, NY 10271.

Q WHAT IS YOUR CURRENT POSITION WITH EVULKAN?

A I am President and Chief Executive Officer of eVulkan, Inc.

Q PLEASE DESCRIBE YOUR DUTIES FOR EVULKAN.

A As the President and CEO of eVulkan, Inc., I provide the vision and leadership for the Company. I oversee all aspects of eVulkan's operations including sales and marketing, regulatory, financial, production and testing, technical implementation and fulfillment, customer service and all other areas of eVulkan's business. I have the final authority over all decisions made within eVulkan.

1 Q WHAT IS THE PURPOSE OF YOUR TESTIMONY?

2 A I am submitting this Testimony in support of eVulkan's Petition for a Certificate of Public
3 Convenience and Necessity for the resale of local and interexchange telephone services
4 within the State of Illinois.

5 Q DO YOU RATIFY AND CONFIRM THE STATEMENTS AND REPRESENTATIONS
6 MADE IN THAT APPLICATION?

7 A Yes.

8 Q. WILL EVULKAN OPERATE AS A RESALE OR FACILITIES-BASED CARRIER?

9 A. eVulkan will initiate operations as a resale carrier. As a resale carrier, eVulkan will neither
10 own nor lease equipment or facilities for the transport of telecommunications. eVulkan will
11 take service from one or more network providers pursuant to federal and state tariffs through
12 a service contract with each individual carrier.

13 Q WHAT SERVICES DOES EVULKAN SEEK AUTHORITY TO PROVIDE?

14 A eVulkan seeks authority to provide local and interexchange services in the State of Illinois.
15 eVulkan intends to resell local exchange and interexchange telecommunications services that
16 will enable business and residential customers to originate and terminate local calls and to
17 access long-distance interexchange carriers on either a presubscribed or dial-around basis.
18 eVulkan's resold local service offering to local exchange single-line and multi-line business
19 and residential customers in the State of Illinois will include, but will not be limited to, basic
20 two-way local business and residential lines, custom calling features (such as three way
21 calling, call forward, call waiting, speed calling), CLASS service features (such as caller I.D.,
22 automatic redial/recall, customer originated trace), busy verification and interrupt service,

1 trap circuit service, Centrex services, Integrated Services Digital Network (ISDN) Services,
2 private line services, PBX trunk access, and direct inward dialing (DID) services. In
3 addition, eVulkan, through resale agreements with other carriers, will offer dual-party relay
4 service, 9-1-1 Emergency Services, directory assistance and operator assisted calls. eVulkan
5 intends to provide the following interexchange services on a resale basis throughout the State
6 of Illinois: intraLATA and interLATA switched and dedicated outbound interexchange
7 services; and calling card and debit card services accessed via company-provided "800/888"
8 numbers.

11 Q DOES EVULKAN PRESENTLY OFFER INTRASTATE SERVICE WITHIN THE STATE
12 OF ILLINOIS?

13 A No.

14 Q DO YOU BELIEVE THAT EVULKAN IS FINANCIALLY QUALIFIED TO PROVIDE
15 ITS PROPOSED INTRASTATE RESALE SERVICES?

16 A Yes. eVulkan has more than adequate financial resources to provide the resold telephone
17 services.

18 Q DO YOU BELIEVE THAT EVULKAN IS TECHNICALLY QUALIFIED TO PROVIDE
19 THE PROPOSED INTRASTATE RESALE SERVICES?

20 A Yes. eVulkan has the necessary competent and experienced management and technical
21 personnel to provide, successfully and continuously, the resold telephone services it seeks
22 to provide in its Petition.

1 Q IN YOUR OPINION WOULD THE ISSUANCE OF A CERTIFICATE OF PUBLIC
2 CONVENIENCE AND NECESSITY TO EVULKAN BE IN THE PUBLIC INTEREST?

3 A Yes, for several reasons. Granting eVulkan such authority will build on the long-standing
4 regulatory policies promoting unlimited resale of telecommunications services. Resale of
5 telecommunications services expands the availability, and enhances the affordability, of
6 telecommunications services. Customers also benefit from the increased network
7 efficiencies and higher quality and innovative products and services that result from
8 increased competition.

9 Q IS EVULKAN WILLING AND ABLE TO CONFORM TO THE LAWS OF THE STATE
10 OF ILLINOIS AND THE RULES AND REGULATIONS OF THE ILLINOIS PUBLIC
11 SERVICE COMMISSION?

12 A Yes.

13 Q DOES THIS COMPLETE YOUR PREFILED TESTIMONY IN SUPPORT OF
